An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Gary D. Fields on 15 October 1999.

The application has been amended as follows: In claim 5, line 4, the word --individual-- has been inserted after "different"; in claim 17, line 1, "for" has been deleted, in lines 8, 9, the phrase "sized to be" has been deleted; in claim 18, line 4, "treat is" has been changed to --treats are--; in claim 21, line 1, "for" has been deleted, in line 8, the phrase "sized to be" has been deleted.

This case is being passed to issue with allowed claims 1-3, 18, 5-9, 19, 10, 11, 20, 12, 13, 16, 17, 21, renumbered as claims 1-18.

The following is an examiner's statement of reasons for allowance: The claims in this application have been allowed because the prior art does not disclose a pet toy product including a molded body member having a side wall of a substantially uniform thickness, and a plurality of recesses formed in the side wall, with edible treats wedged into the recesses such that resilient side surfaces of the recesses hold the treats therein. Various additional independent claims recite embodiments of the pet toy product, as well as a method of entertaining an animal using the product, none of which are anticipated or rendered obvious by the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

The references to Smith (848,136 and 1,031,095) and Houghton et al. (5,343,828) have been cited to provide examples of pertinent prior art.

Description of the general nature of what was agreed to if an agreement was reached, or any other comments:

Applicants' representative authorized changes to the above claims in order to place them in better form for allowance and overcome several inconsistencies. See examiner's amendment.

1. ☒ It is not necessary for applicant to provide a separate record of the substance of the interview.

Unless the paragraph above has been checked to indicate to the contrary, A FORMAL WRITTEN RESPONSE TO THE LAST OFFICE ACTION IS NOT WAIVED AND MUST INCLUDE THE SUBSTANCE OF THE INTERVIEW.
